school uniform attire

Outerwear for Classroom Use
uniform sweaters, cardigans, and light jackets

\*Skorts are skirts with sewn-in shorts.  
only.

\*\*Primary Center students wear uniforms for tops

## FREQUENTLY ASKED QUESTIONS

### How can I find out about uniform promotions and sales?

With Lands' End's terrific sales, you won't want to miss out on the savings! There are two types of sales through Lands' End, a direct discount and a promo code discount. The direct discounts are markdowns that will be automatically reflected in your online shopping cart as you select items. Promo codes are discounts received by entering a specific code in the promotion code box at checkout. Families can receive notifications of both by signing up for a Lands' End email subscription at [landsend.com](https://landsend.com).

### How can I purchase uniforms without using my credit card online?

Uniform clothing can be purchased using Sears or Lands' End gift cards. These gift cards can be purchased at BI-LO, CVS, and Sears (Haywood Mall).

**Can uniforms be purchased at Sears?**

While BJA uniforms cannot be purchased in the actual brick and mortar store at Haywood Mall, there is an ordering kiosk located in Sears. Sears does carry some of the same styles used as part of the BJA uniform package, so children can try on items there. Uniform items can also be returned to the Sears store. The best news is that if you place your order using the in-store kiosk, you don't pay shipping costs regardless of the size of your order!

**Can I purchase pants from another vendor as long as the style and color are similar to Lands' End products?**

Lands' End is the sole provider for BJA uniforms, both for make and logo.

**When wearing a uniform sweater, does my child need to wear a uniform shirt?**

Yes, boys and girls should wear uniform shirts under sweaters.

**Is it appropriate for my child to wear a non-uniform shirt under his/her uniform polo shirt?**

Sure! That is fine as long as the shirt is solid and one of the uniform colors—navy, light blue, or white.

**Do all items need to be uniform, including the BJA logo, including pants and sweaters?**

Yes, all items need to have the BJA logo.

**Would it be ok to roll up or cuff pant legs if they are too long?**

No, pants should be hemmed so they are the appropriate length without rolling.

**Will my child wear his/her uniform for choir concerts or will the current shirts be used?**

Choir members will continue to use their current style choir polo shirts. These shirts are royal blue and include the word "choir" under the logo. Boys will wear khaki uniform pants, and girls will wear uniform khaki skirts. Because of staging needs, girls should wear the skirts designated as below the knee or long (A-line skirt or box pleat skirt). Students will continue to wear regular dressy attire for certain performances indicated by the choir director.

**Are leggings appropriate for girls?**

Yes! Girls are welcome to wear leggings under their knee-length skirts or skorts.

**May my child wear BJA Lions shirts as part of his/her uniform?**

Lions gear is an important part of BJA! Lions gear may be worn on blue-and-white days, during spirit week, and for other special days as indicated by the administration. Go Lions!

**Are accessories and jewelry appropriate for girls?**

Girls are welcome to continue to wear necklaces and bracelets.

**Have you considered coordinating a uniform swap or consignment sale?**

We have, and we are looking forward to holding our first event toward the end of this summer. This is a great way to get gently used uniforms at a great price! If you are interested in helping to coordinate the event, please contact Jenny Klipp, assistant principal. In the meantime, be sure to watch your inbox for more details as summertime approaches.

**What are skorts?**

Skorts are skirts with shorts sewn in. They are a comfortable alternative to wearing shorts under a skirt.

**My child doesn't always fit into standard sizes. How do I find a uniform to fit him/her?**

That is no problem. Lands' End has worked to provide what is needed for children of any build. Uniform items come in regular, slim, husky, and plus sizes. In addition, Lands' End offers the option to custom size an item if a student doesn't fit comfortably into the listed fits. They are committed to making sure each student is able to get the uniform items needed for BJA.

**Does my child need to wear a belt with his/her pants or shorts?**

Belts should be worn with pants and shorts that have belt loops. Students may wear belts of their choice. Children in the Primary Center do not need to wear belts.
