

2017 Elementary Career Day

WEDNESDAY, OCTOBER 4 | ELEMENTARY MAIN BUILDING

**We are thrilled to announce BJA's first Elementary Career Day –
and we hope YOU will join us!**

Career Day is a chance to give students broader exposure to the working world around them and to motivate them to be open and preparing for what God has ahead for them.

We are looking for BJA parents who would be willing to come share their career experiences with BJA students in grades 1-6. Parents are needed both to host a booth at our Career Fair and also to speak briefly in classrooms. Come share what a typical day looks like, what tools you use, fun facts, how you chose your career, how you prepared, and so much more! Minimal preparation is involved, and multiple representatives of the same career are certainly welcome. If you are available that day and would be interested in finding out more, please return the form below or email Dr. Klipp at jklipp@bobjonesacademy.net by Wednesday, September 20.

Thank you in advance for your help in giving our students this opportunity!

.....
Name: _____ Career: _____

_____ Yes, I am interested in finding out more about Career Day.

_____ Yes, I am willing to participate in Career Day. Please send me more information.
I am available during these hours on October 4: _____

Please return this form to the elementary office.
