

String, Brass, Percussion & Woodwind Lessons 2018–19

BJA offers instruction in string, brass, percussion and woodwind instruments for students in grades 4 and above. These lessons are available as defined below at the semester charges indicated. Children repeating a grade are eligible for lessons offered in that grade only.

CLASSES

All instrumental instruction is given in a class setting. Children do not audition for these lessons. Instruction is given as follows:

GRADE LEVEL	INSTRUMENT
4–6	Violin, Viola, Cello, Bass, Harp
5–6	Brass, Percussion, Woodwind

FEES	
Class Lessons	\$288 per semester
Instrument Rental	\$100 per semester

Lessons and rental are billed in four installments for each semester:

First semester	October 5 through January 5
Second semester	February 5 through May 5

REGISTRATION

Instrumental registrations will begin August 10 at Back-to-School Night and continue through August 24. Parents need to complete a separate registration form for each instrument their student will study.

On Thursday, August 16, at 6:30 p.m. there will be an important required meeting for all students enrolling in beginning string, brass, percussion and woodwind classes. Students who are interested in taking lessons should attend with their parents.

INSTRUMENT

Getting a proper instrument is a major factor in the student's success. If you plan to buy a musical instrument for your child before the meeting on August 16, please call one of the instrumental teachers before making a purchase. There are a limited number of instruments available for rental. If you are interested in securing an instrument, contact one of the teachers listed below.

LESSON TIMES

Instrumental class lessons are given between 11:45 a.m. and 12:50 p.m. To accommodate lesson times, students will have an altered lunch schedule and abbreviated recess time. Lessons begin the week of September 3. Each student will be notified about his or her first scheduled lesson.
