

Bible Conference

February 19 - 21 2020

Bible Conference is a special time on the campus of BJU—a great opportunity to grow in our relationship with God.

Although we don't have classes during Bible Conference, Academy expectations remain in effect.

- **Attire:** school uniform until 5 p.m. and formal attire for those attending any 7 p.m. service. See handbook for “formal attire” details.
- **Seating:** please enter the FMA no later than 15 minutes before each service; unless seated with a parent, Academy students should sit on the main floor in groups of 4 or fewer / Have your ID card ready to be scanned before and after the services.
- **Electronic devices:** are fine for use for Bible program or taking notes (only—as you know!)
- **Special music:** sometimes a temptation to talk rather than thinking about the words of the song; can you be a model of the believer for those around you?
- **Lunch:** with parental permission, you may go off campus for lunch—it's a little tight on time to be back and seated for the 1:30 service, so plan accordingly
 - Parental permission also needed to ride in someone else's car—be sure your parent specifies that permission if needed
 - Your parents should contact Mrs. Reem to communicate the permission they're granting you—going off or both going off and riding in someone else's vehicle.
 - The Markham Center/Quadrangle is available for you to each lunch—vending available, but not food service.
- **After the afternoon service:** the Markham Center will be open until 5 p.m.
- **Attendance:** full-time students attend each 10 a.m. and 1:30 p.m. service; part-time students attend a total of at least 3 services Wednesday - Friday.
- **Location:** all services are in the FMA except for the Thursday 1:30 workshops, where you pick which to attend:
 - Carol Anne Clemons (FMA)
 - Marty Herron (Stratton Hall)
 - Morris Gleiser (War Memorial Chapel)
 - Cary Schmidt (Rodeheaver Auditorium)
- **Missing (or late to) a service:**
 - **Sick:** have your parent contact Mrs. Reem before the service
 - **Other reasons:** get prior permission
- **Other**
 - **Testing service:** not available, be sure to talk to your teacher ahead of time
 - **AGym:** not open, except official basketball practice
