

6th GRADE TRIP TO *Discovery Place* *Friday, March 13, 2020*

How much does it cost?

- The cost for the trip is \$30, which includes admission and transportation. This will be billed to your student's school account.

What should my student bring?

- **Food** – Students should bring a completely disposable lunch. The lunch will be stored for the students until they arrive at the lunch room. Everything will be thrown away after since they cannot carry food or beverages in the museum. There is a café that they can purchase snacks from, but they are pricey.
- **Money** – Students should bring money for souvenirs and any snacks they would like. They may not borrow money from other students.
- **Phones** - We do not recommend that students bring cell phones. However, we understand that some parents may consider them necessary. Please understand that your child's cell phone will be kept by your child's teacher who will regulate the phone's use.
- **Bags** -- Students may bring books, puzzle books, paper, pencils and cameras. Everything must be carried in book bags that are labeled with the student's name. Students must be responsible for all items taken with them. They may NOT bring any personal music devices, such as iPods, cd players, or mp3 players or game systems such as PSP, Gameboy, Switch, or Nintendo DS. According to Discovery Place policy, students will not be permitted to bring any backpacks into the building. All bags will need to be left on the bus.

What should my student wear?

- **For girls:** regular uniform attire and comfortable shoes; uniform pants would be preferable for some of the climbing around done at the museum
- **For guys:** regular uniform attire and comfortable shoes
