

July 7, 2020 Junior Sizes

Lands' End has discontinued the junior line and has merged it with their women's sizes and added more sizes. In other words, junior sizes are already no longer available on most uniform items.

To help parents transition in the sizing, they have provided an equivalent sizes chart:

Junior Size 1 = Big Girl Size 14 (Max Inseam of 29) or Women's Size 00

Junior Size 3 = Big Girl Size 16 (Max Inseam of 30) or Women's Size 0

Junior Size 5 = Women's Size 2

Junior Size 7 = Women's Size 4

Junior Size 9 = Women's Size 6

Junior Size 11 = Women's Size 8

Junior Size 13 = Women's Size 10

Below is the list of women's pants that are currently offered on the BJA uniform website and the sizes they are available in. Again, all sizes should be covered – they just look a little different in their "titles."
