When it comes to *switching schools*,

there are lots of

REASONS TO MAKE A CHANGE

RELOCATION

SOCIAL ISSUES

ACADEMIC CHALLENGES

When it comes to switching schools, there's a lot at stake.

As a parent you know that your child's learning environment impacts much more than just grades. It influences how they grow socially, emotionally, academically, and physically. Families who are able to find the right fit see their children thrive in the classroom and beyond.

So what exactly warrants a switch?

There are a lot of good reasons to consider changing schools. Maybe you're relocating and your current school will no longer be accessible. Perhaps your child is dealing with social issues and you're looking for a more positive atmosphere. Increasingly, however, families are finding that the heart of the curriculum at their child's school doesn't really align with their biblical worldview or the values they teach at home. Finding a school that's committed to serving Christ in all things is hard enough, but it also needs true academic rigor — and to be affordable.

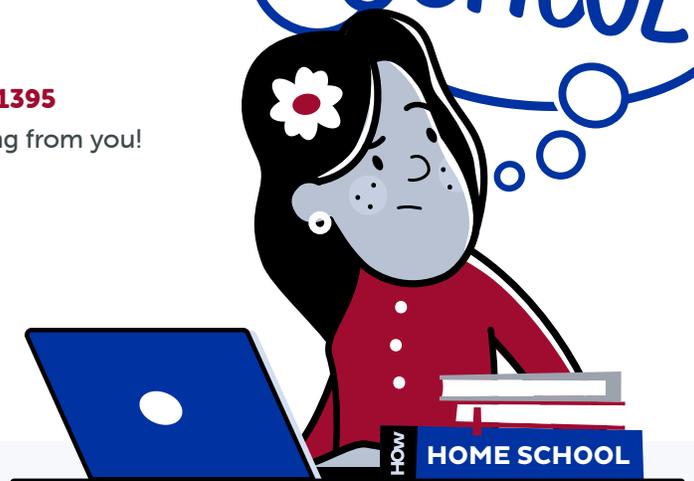

Whatever your reasons, we're glad you're here.

Bob Jones Academy is a faithful and engaging environment for students in our preschool through our confident high school graduates. This guide was designed for parents and families just like you — who are exploring a change and want to make sure they get it right. On the pages ahead, we'll walk you through our educational model, show you the opportunities your child will have as a Bob Jones Academy student, and provide you with details on next steps.

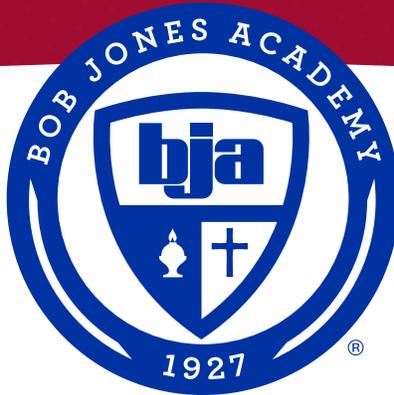

The switching process is simple, and we're here to help. If you have any questions, please contact us at **864-770-1395** or bja@bobjonesacademy.net. We look forward to hearing from you!

Sincerely,

Brandon Autry

GROWING STUDENTS

spiritually, academically, socially, and physically.

Growing to Love the LORD

There is nothing more important to our school's mission or your child's life than our commitment to encourage them to seek Jesus Christ in all things. All of the other wonderful and important work we do to make children into capable, budding scholars who will succeed in academics and a career flows out of that central, bedrock mission.

Critical Thinking

Your student's ability to recognize God's Truth and become a discerning, critical thinker is one of those core skills that applies to every facet of every academic discipline. So, along with fundamental knowledge about our world, humanity, and our Creator, it's a cornerstone of what we teach all of our students in age-appropriate ways.

Learning to Serve

Students build more than just strong friendships at Bob Jones Academy. They learn important lessons about community and what it means to be the body of Christ as they worship together in chapel and commit themselves to some of the many ministry opportunities we offer.

Champion Hearts

As a part of our thriving athletics program, your child will learn all the classic sports lessons about perseverance and endurance, leadership, and what it means to work as a team. Our teams have brought home multiple state and league championships, but it's the Christian character, integrity, and honed physical abilities each athlete takes with them that matter the most.

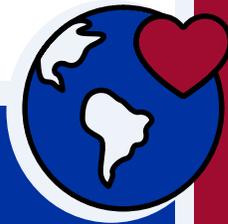

Beyond the Classroom

Students can discover their passions as they build character and lifelong friendships through enriched learning experiences that offer a deeper connection to our close-knit community.

CLUBS & EXTRACURRICULARS

- Spirit Squad
- Student Body Officers
- Christian Service Organization
- Speech & Debate
- Mock Trial

Ministry Opportunities

Service and ministry are truly at the heart of the community here at Bob Jones Academy and we want to invite you to **learn more about all we offer on our website.** From our Christmas giving chapel and Miracle Hill food drive here at home to our yearly evangelistic outreach mission trip in New York City, your child will find many ways to grow in their heart for service.

Support for Busy Families

In addition to our regular school hours and offerings, many families take advantage of our safe, convenient Early Stay and Late Stay programs. These are available for students in K3-8 classes. Your student will enjoy activities such as:

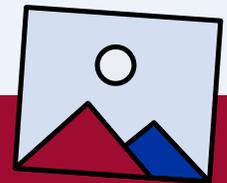

- Organized, supervised play indoors and outdoors
- Homework assistance in our study hall
- Team competitions
- Board games, tabletop toys, and more
- Bible studies and scripture memorization

EARLY STAY HOURS

7:15 — 8:00 a.m.

LATE STAY HOURS

2:45/3:10 — 5:30 p.m.

Fine Arts

From our youngest learners to our polished graduates, the artistry and creative image of our Creator shines brightly in the music they make, as well as the painting, sculpture, and drawings they render. The arts programming is a rich mix of all these things as well as our exciting Speech and Debate opportunity which brings out whole new ways to creatively use all the core skills we teach in the classroom. More of What Our Families Value at Bob Jones Academy

A Safe Place to Grow

Every parent wants to know that their child's school is as safe as possible and we've made significant efforts in this area at BJA. This includes a campus security team, secure access doors, emergency response systems, staff background checks, and video cameras.

In addition to physical safety, we also address each student's social-emotional needs. We have a strict no-bullying policy, and our faculty and staff keep students on the right path by helping them understand their significance in God's eyes, directing them to His Word to find their strength and identity in Him. To ensure students don't get distracted, we have technology use guidelines in place. School-owned devices are managed and monitored to help protect students, and guide them as to the proper use of technology for enhancing learning.

Outstanding College Preparation

Our connection with Bob Jones University is a draw for many of our families, but wherever your child might want to continue their education, they will find an exceptional array of resources to help them be ready for what's next. Career pathway exploration, college prep workshops, college planning, testing, scholarships, dual-credit options, and so much more are available for BJA students.

Faculty and Staff Mentors

We can't say enough about the impact of our faculty and staff in the lives of our students, and that's one of the reasons we hope we can tell — and show you — more when you come for a tour. It's one thing to proclaim God's Truth or hear about what it means to live by faith, but it's another to see it modeled day after day by loving, devoted mentors who know each student and lead the discipleship efforts in our school. Our teachers inspire our students, make their disciplines come alive, and help them see the incredible interconnectedness of everything they are learning because Christ is truly Lord of all creation.

“BJA is a wonderful school, focused on academic excellence taught from a biblical worldview. The caring, dedicated teachers are like family. They have provided our children with wonderful opportunities, both in and out of the classroom. I am confident that the skills and training our children are learning will take them far beyond what education alone could ever give them.”

— NANCY E., PARENT OF MULTIPLE BJA STUDENTS

No Greater Investment

We love to meet with families and hear about their educational priorities. We also love the financial part of the conversation with our prospective parents. They know that a solid, faithful Christian education and instilling an early love for God and His Word in their child are priceless. And, when they see the value of all that we do to support those things single-mindedly and with all our hearts, they understand: an investment here lasts a lifetime, and beyond.
