

Miracle Hill Collection

November 8–12, 2021

Our middle school students collect items throughout the week to benefit the Miracle Hill Food Warehouse. Grade level teams strive to reach their goals, and each grade that does receives a reward.

Daily Emphases:

- Monday: Canned Goods Day
- Tuesday: Condiments Day
- Wednesday: Cleaning Supplies Day
- Thursday: Dry Goods Day
- Friday: Paper Products Day

We need sturdy boxes! We box all the items collected before loading them on the truck.

Food purchased in a pack (e.g., juice boxes, applesauce cups, toaster pastries) counts as one item, not six or however many are in the pack.

Please avoid collecting anything in glass containers, gallons of drink, sodas, bleach, ammonia, home-canned items, fresh produce or breads and products that spoil quickly or have a very short shelf life.
