Most Academy high school classes automatically continue into second semester unless a student participates in drop/add. Several courses cannot be continued into second semester if a student fails the first semester course. The academic office will make individual contact as needed during Christmas break.

This form should be submitted to the academic office during the dates indicated above. If a student's schedule allows, the change will be processed on a first-come, first-served basis at no charge. *Requests by parents or students seeking to change a class section or to ask for a specific teacher will not be honored.*

Please refer to the Academy [website](#) for course descriptions and prerequisites.
