

THANKSGIVING

COLLECTION

NOVEMBER 7-11, 2022

Each year we have the privilege of working together as an elementary school and being a blessing to others during the Thanksgiving season. We would like to again invite our families to participate by donating certain items to be a help to needy families. This year we are going to work together to provide much needed items for the Miracle Hill Warehouse. We are so excited to be able to be a blessing to families in need during this time.

Following is a list of items for each grade level. Students may bring in their items to their classrooms during the week of November 7-11, and all our items will be transported to Miracle Hill for distribution.
