# **Nation's Protectors Appreciation Day!**

---

BJA Elementary School would like to show appreciation to our Nation's Military Personnel and First Responders, including Veterans in these fields. We would be honored if you would drive through our carline anytime from 8:30-10:30 am on September 11, 2023, and allow our students to present you with a small gift and refreshments to thank you for your service.
