

Both the Middle School (6–8) and High School (9–12) use demerits to help identify both patterns and degrees of misbehaviors and to provide a range for an objective and appropriate corrective response. Teachers and respective Support Committees use the ranges below to issue demerits which are recorded in FACTS Family Portal. A student’s parent will be notified by the teacher or Support Committee (Middle School: bjm.mssc@bobjonesacademy.net; High School: bjh.hssc@bobjonesacademy.net) anytime a demerit is issued.
