

We use demerits to help identify both patterns and degrees of misbehaviors and to provide a range for an objective and appropriate corrective response. Teachers and Support Committees use the ranges below as a general guide for issuing demerits. A student's parent will be notified by the teacher or Support Committee (Middle School: bjmssc@bobjonesacademy.net; High School: bjhssc@bobjonesacademy.net) anytime a demerit is issued.
